

## Technical Specifications

# EVERTUFF™ RAISED GARDEN BED / VEGGIE GARDEN KITS

### Primary Application

Cosset's **Evertuff™ Raised Garden Bed / Veggie Garden Kits** remove all of the guesswork when it comes to installing your next raised garden bed.

Cosset's kits are designed to be installed quickly and easily using minimal tools and are available in 5 different size configurations.

Grow your own veggies or herbs in your own backyard. They are also ideal for schools, local governments and anyone charged with the responsibility of maintaining outdoor areas.

### Features

- Recycled food grade co-mingled material means timber-like strength with no warping.
- It is 8 x stronger than pure plastic recycled products.
- Won't crack like concrete, rot like timber or rust like steel.
- Galvanised nuts, bolts and washers included.
- Pre-drilled posts and planks – makes it easy to assemble.
- Posts and planks labelled for easy installation.
- Drilled, planed and cut with the same tools as timber.
- Termite and white ant resistant.
- Superior life span with the advantage of retaining physical properties throughout entire product life.
- UV stabilised material.
- Non toxic – no chemicals like CCA treated timber.
- Will not harbour vermin.
- 98% recycled plastic and timber material means each metre of Evertuff™ prevents kilograms of rubbish entering landfill and thus organisations can reduce their environmental footprints.
- Curved edges and protrusion free giving a safety first design.
- Has a thermal buffer and hence will not freeze over or get too hot to touch.

### All about Extruded Profiles

Cosset's **Evertuff™ 98% Recycled Wood Plastic Composite Extruded Profiles** are a breakthrough for recycling and a win for reducing landfill. Using new technology, recycled plastic is compounded with waste wood and then continuously extruded through a die-cut profile – meaning it can be produced in any length up to 3000mm. The result is a far more cost effective and considerably stronger section than 100% recycled plastic alone.
